Eligible Years -- Individuals must have been appointed or hired and served on a **continuous** basis **beginning** on the following years:

BENEFITS

All recipients will be recognized at the Annual WFA Convention. Recipients in attendance at the Annual Convention as registered delegates will receive a Certificate and Length of Service pin. Recipients not attending will be mailed their certificate only, but may purchase their Length of Service pin separately. Service pins are available for \$10.00 (includes shipping and handling).

Once years of service have been recorded, WFA will automatically update service members records for future years' recognition. Because we do not track key staff and associate fair directors' length of service, we ask that fairs report first-time eligible recipients to the WFA office not later than the fall of each year.
